Funding

Although the residents of All Hallows Nursing Home are funded by either social services, health or privately. The nursing home has to purchase all of our own equipment. Such as new beds and mattresses, medical equipment etc. plus a few extras to make the residents lives that little bit more comfortable. The home needs to raise the funds to purchase the equipment and to provide quality care to residents and staff. To raise the funds we rely heavily on the generosity of local people donations and legacies help ensure that we are able to continue our vital work. We are totally reliant on the generosity of our friends and supporters.

Many people find it difficult to think about what will happen when they die. And too often this results in a failure to make the necessary arrangements. One of the most important preparations you can make is to ensure you have an up to date will.

Making a will is simple, easy to arrange and it need not be costly. Gifts to charity are Inheritance Tax Free so leaving a gift to All Hallows Nursing Home could reduce the tax payable on your estate.

Writing a will is your chance to shape the world you leave behind, it is a way for people to carry on after they have gone. A legacy can also be left as a memorial gift, this is a wonderful way to perpetuate the values and ideas of loved ones.

Every gift, no matter how modest, is much appreciated.
